

Rules

1. A regular BINGO is any horizontal, vertical, diagonal line, four corners, top and bottom "V".
2. You must be 18 years of age to play BINGO.
3. You must have a valid admission stub, visible at all times, and play only the amount of cards listed on your stub.
4. You must have all cards selected before the first number is called in a given game. Selecting or switching of cards or a card after the first number is called, will make all of your cards invalid for that game.
5. Extra cards must be removed from the tables. If you are unable to do so, please ask a worker to do it.
6. A player must have the last number called to have a valid BINGO.
7. It's the responsibility of the player to make their BINGO known. Only the caller or a worker can verify and confirm a BINGO.
8. You must play your own cards and specials. Workers may play your cards, but **are not** responsible for missing a BINGO.
9. No seats may be saved.
10. Players must purchase their own cards unless player is disabled or if standing in line would present a hardship.
11. Profanity or harassment of workers will not be permitted.
12. All other State of Michigan BINGO rules apply.
13. Comments, suggestions, and ideas on our games are welcome. Please submit them on your admission stub and hand it to a worker after the last game.
14. You may have more than one BINGO on the same card, on the same number.
